

## About Artz Master

Artz Master Sdn.Bhd. is a Malaysia based company which located at Port Klang, Malaysia. Our main products are flat pack panel based furniture which include kitchen & bath cabinet, wardrobe, living room furniture, office furniture etc.

With in-depth knowledge of supply chains and the in-house thermo-fused melamine press facilities, Artz Master could provide mass customization to our clients with not limit of the size of projects. We have invested technology advanced machineries and highly sophisticated software which cover product modelling, machines interlink communication and product manufacturing. Artz Master strives to deliver high standards of products quality by providing seamless edge banding finishes. This made possible thanks to our highly committed to R&D and qualified personnel.

As Artz Master continues to grow, we are more committed than ever to improving our service, responding to the increasing demand for mass customised, technologically-advanced furniture, and contributing to environmental preservation with ongoing efforts to guarantee a wide range of eco-friendly solutions.
